BIO

Adam Kennedy played his local football for Melton FC before moving to the Western Jets to pay in the TAC Cup. Much to the surprise of some Adam missed out on the 2010 draft after captaining the Western Jets and performing well for Vic Metro. To his credit he continued to work hard and was selected the next year by GWS.

Adam has already been a great leader on and off the field. Since arriving at the Giants in their inaugural season he is one of the very few still remaining.
