BIO

Oscar has the surf community expecting big things as one of the country's brightest young stars in the water. The Hurley-sponsored athlete was first thrown into the spotlight when a video of the then 14-year-old went viral on Facebook. Footage of the youngster showed him effortlessly finding barrels left and right, carving waves at breaks including Turner's Beach in Yamba, and effortlessly pulling off airs in both the water and the skate bowl.

Since then, Berry has gone from strength to strength, most recently finishing 2nd in the Queensland State Junior Titles as he looks to develop his craft with an eye on one day joining the senior World Surf Tour.

When he's not in the water or at the skate park, Oscar enjoys fishing and supporting his beloved Essendon Bombers.

Oscar is a Hurley Youth Pro and has partnerships with Oakley, FCS and Sun Bum.

TESTIMONIALS

“Oscar is such a great kid in so many ways. I really love his approach to life with bringing his two favourite passions (surfing and skating) together to complement each other. He really pushes himself to bring that innovation and x factor to life through his surfing and thats why he is apart of the high performance program at surfing Australia. to top it all off he is an incredible respectful and grateful kid. He has a bright future in surfing ahead of him.”

BEDE DURBRIDGE ELITE PROGRAM MANAGER SURFING AUSTRALIA

“Oscar is a great addition to the Hurley family, not only for his abilities, but the energy he brings. his surfing is going from strength to strength every year. his surf and skate crossover is amazing. he is continuously chasing content, travelling around Australia and the world (pre-covid), linking up with photographers and videographers. I have been involved his Oscars journey since 2016 and I can see he is really growing into being one of the best junior surfers in Australia.”
